

## WHAT WE DO

### INVESTMENT, TENDERING AND PROCUREMENT.

#### Investment.

We endeavour to invest in several sectors of our economy; Banking and Finance, Energy, Infrastructure and ICT, Tendering and Procurement, Real estate and general management. We offer consultancy services in all the sectors where we have invested in.

#### Tendering and Procurement.

In a dynamic world where business is competitive, we engage in tendering ensuring integrity, appropriate pricing, quantity and quality standards.

To ensure that we deliver in our Tendering, we do strategic procurement. We have partnered with various manufacturers, dealers and distributors both locally and internationally. This is after \*linking\* with renowned quality control standards boards and entities; kebs, halal, sgs.

This is to ensure value for money and achieve client satisfaction.

### FINANCIAL SECTOR

Globally sub-Saharan Africa remains the region with the largest portion of people excluded from formal financial services
